

# THE TOWER

MUSIC & LYRICS BY ROSS M. LEVY

VERSE 1

**G** **B7** **C**  
Sometimes, we act like kings on a throne  
**Fmaj7**  
and the world is simply something we own  
**G** **B7** **C**  
Sometimes we walk with our head in the sky  
**Fmaj7** **G**  
we can't seem to swallow our pride  
**D** **Fmaj7**  
sometimes, sometimes

CHORUS

**G** **D** **Em7**  
Each day, the tower gets built up  
**C** **G**  
Each day the tower falls back to the ground  
**D** **Em7**  
They say, we all keep babbling on  
**C** (second time to next section)  
  
Someday we'll all speak the language of love (2x)  
  
**Ebmaj7 Fmaj7 G**  
love, love, love, love  
The language of love, love, love, love

BRDG

**Bb** **C** **Am** **Dm**  
Even though they say we're drifting every day  
**Bb** **C** **Dm**  
I feel the shadow of the tower  
**Bb** **C** **Am** **Dm**  
And when it crumbles and were standing face to face  
**Eb** **C**  
We'll reach out and say...

**BACK TO CHORUS (PLAYED UP A WHOLE STEP)**

**A E F#m D**  
**Fmaj7 G A**
